## INSTITUTIONAL DISTINCTIVENESS

Lighting Ceremony is a unique principle and practice adhered here for the students. It is practiced by our institution every year for final year UG and PG students. On that day the students show their gratitude to Guru by chanting Guru Shuthi and Upanishad. The metal alloy lamp is presented to each student on that occasion. The lamp represents that every student should shine in future and she should light the candle of knowledge for others with the concept of dissemination and unfolding. The students arrange the lamp which is in their hand around Kuthuvizhakku on the maakolam which is drawn in front of the students and stage.

All the outgoing students take the following solemn oath during the lighting ceremony.

- I do promise to endeavour my utmost to lead a simple life as embodied in Bhagvan Sri Ramakrishna Paramahansa.
- I do promise to uphold faithfully the ideal of the Holy Mother in the form of seeing merit alone in all and loving all whole-heartedly.
- I do promise to imbibe the ideal of strength under all circumstances- the ideal of the hero's will and the mother's heart which Swami Vivekananda invoked in Sister Nivedita
- I do promise to live up to the motto of my Alma master by striving to keep forever my Hand, Heart and Head in purity
