Subject: REDINGTON FOUNDATION - Training program for this year 2022 - reg
Dear Madam,
We are planning to visit your College at the earliest, which we will communicate in due course. We need to select the candidates based on the "selection aptitude test online" on which we are working out and will revert back on the dates at the earliest. Based on the performance of the candidates, we will select 100 students from the college (Commerce & Science streams combined) for whom the training will be required. The training program will be required for 80 hours. Students will be selected and segregated into 4 batches of 25 members each. The batch size for training will be for maximum one-hour duration. We request your cooperation for batch listing allocation and facilitate the smooth conduct of the training program.

Redington Foundation - Training Programme
Redington Foundation has selected 100 in final year students to provide training in "Business Communication". The students are selected on the basis of "selection aptitude test online". The training programme is completed for 80 hours. Students are selected and segregated into four batches with 25 members each. The students initially attended the classes through Google Meet. Now they are attending in offline. The classes have started for students from Jan 24th 2022.
