1. Use of MOOCs, OER, SWAYAM and other online study material be initiated	As recommended by the peer team, IQAC suggested to the Management to permit the students to use the browsing center of the college for advance learning through MOOC, SWAYAM online courses after and before college hours. Many students use this facility happily and gradually the number of students using this facility has increased.
2. New departments like Music, Home Science, Dairy Science, Biological Sciences, Psychology may be started as per demand of stakeholders.	As per the recommendation of the peer team, the institution conducts new courses related to the locality such as oil painting and library science. Being a self-financing institution, we cannot afford departments but providing certificate and diploma courses.
