2.5.2 Number of students' complaints/grievances against evaluation against the total number who appeared in the examinations during the year

As such complaints or grievances were never occurred/ reported regarding the examination evaluation and associated affairs.

- As an unaided institution without autonomous funding, we have consciously kept our examination fees lower than those of the parent University for Most Sections, reflecting our commitment to affordability and student welfare.
- Students who wish to apply for revaluation are first encouraged to obtain a Xerox copy of their answer script. This copy can be verified by the course teacher, class teacher, or Head of the Department to confirm whether the paper qualifies for revaluation. This process ensures transparency and helps students save money by preventing unnecessary full revaluation payments.
- Students representing the institution in national events or other important activities under official duty (OD) and hence unable to attend the regular examinations are accommodated with a separate examination schedule at a later date.
- Similarly for national level entrance test or competitive examination (CA/AMA/NET/TANCET etc.,) the examination schedule is rescheduled upon the request of the student with authentic proof, without much amendment in the general time table of the ESE.
