DEPARTMENT OF COMPUTER APPLICATIONS

(Smart Computer Applications Colloquium)

Organized

Full Stack Development: Skills for the Modern Web

Date: 13.02.2026   **Time: 10:00am – 3:30 pm**

Venue: Digital Language Lab (Sri Vidhya Block)

The Department of Computer Applications had organized a workshop on **"Full Stack Development: Skills for the Modern Web"** on 13.02.26. The programme commenced with prayer, followed by the technical session that was handled by Ms. S. Deepa,M.Tech., Corporate Trainer, Bevywise Networks, Tirunelveli who conducted Session-I on "Full Stack Development: Skills for the Modern Web." She explained the fundamentals of front-end and back-end technologies, web frameworks, databases, and the role of full stack developers in modern web applications. The session provided valuable insights on current industry practices. Session-II focused on Hands-on Training, where students were introduced to practical web development techniques through real-time demonstrations and guided exercises. A total of 63 students from the Departments of Computer Applications (II BCA – 5,III BCA - 10 & I MCA - 12), Information Technology(II IT – 3 , III IT - 12), Computer Science(II CS – 7, III CS – 8), and Artificial Intelligence & Data Science(II AI&DS - 6) under the School of Computing have actively participated in the workshop. The programme was informative and beneficial, enhanced the participants' understanding of full stack development concepts and applications.
