Our Physics association programme held on 17.07.2021 at Google meet. Physics association meet started with prayer song and then Secretary Ambaji blessed the gathering on that occasion, Presidential Address was delivered by our beloved Principal Dr. (Smt). M. Malarvizhi. The resource person Dr. P. Smithraj Premkumar Ph.D., Assistant Professor of Physics, St. John's College, Palayamkottai delivered a lecture on "Physical Studies on Metal Oxide Nanoparticles". All the UG and PG students of Physics department were participated, in this programme. His lecture was useful and innovative and he induces the students to gather more positive thoughts. In the interaction session questions are asked by the students and it was explained by the resource person. Finally, the meet came to an end with college song and shanthi prayer.
